

ACVO REFERRAL, SPECIALTY AND SPEAKER DATABASE REQUEST

Name: _____

ACVO is planning on creating more depth in the membership database to assist our active members. Please complete and return this form if you wish to have your contact information included in the following database:

Specialty Area

I would like to have an area of specialty published in the referral database for member use only. This could be a treatment and/or surgery which is a specialty of your clinic that other ophthalmologists would want to know about for referrals.

List specialty: _____

Public Species List

Check below if you would like the following information available for the public to view.

- I/my practice treat(s) cats.
- I/my practice treat(s) dogs.
- I/my practice treat(s) horses.
- I/my practice treat(s) birds.
- I/my practice treat(s) exotics.

Other: _____

Relief Ophthalmologists

I would like to be listed as a relief veterinary ophthalmologist in a reference database for ACVO members. This information would not be made available to the public.

Speaker Database

I would like to be included in a new veterinary ophthalmologist 'speaker' database that is being developed for member and public use. (The purpose is to make your name, general topics/areas of expertise, and contact information available to colleagues and/or other professional organizations interested in hiring a VO speaker.)

Topics to list:

Contact information if different than "master" contact info:
