Vetsuisse Faculty, University of Zurich, Switzerland

The position of an

Assistant Professor in Veterinary Ophthalmology

is available at the Vetsuisse Faculty, University of Zurich, Switzerland.

Start: August 1st, 2015

The position includes an assistant professorship with further academic career potential and the Head position in the Ophthalmology Section of the Equine Department of the Vetsuisse Faculty, University of Zurich.

Eligible candidates must have a DVM degree, Diplomate status in the European or American College of Veterinary Ophthalmologists and a PhD degree or equivalent. The candidate must be experienced in ophthalmology of domestic animals including companion animals, ruminants, horses and exotic pets. The successful candidate will be internationally recognized and have an excellent research record in the field of veterinary ophthalmology. The ability to acquire competitive extramural funding, experience in undergraduate and postgraduate teaching and the capacity to promote young researchers during their early academic career are expected. Communication skills in German, English or French are desirable.

In addition to clinical work, research, postgraduate training of doctoral/PhD students and the procurement of extramural funding, the duties of the candidate include teaching undergraduate students in veterinary ophthalmology as well as the organization and maintenance of residency programs.

Employment conditions follow the rules and legal framework of the University of Zurich.

The University of Zurich strives to increase the percentage of women in leading positions and therefore strongly encourages qualified female researchers to apply.

Applicants with the appropriate qualifications and experience are kindly requested to submit a hardcopy and CD-Rom with the following information in English no later than June 30, 2014: curriculum vitae including a list of publications, an itemized list of research funding as well as a detailed outline of concepts for teaching, research and clinical service. Further information can be obtained by contacting the Dean’s Office.

Please send your application to the following address:
